Re: VIPSC certification for the Virgin Islands Telephone Corp. (d/b/a Innovative Telephone) required for receipt of federal universal service funds

CC Docket 96-45.

Pursuant to requirements set forth in 47 CFR 54.314, I am writing on behalf of the Virgin Islands Public Services Commission ("VIPSC") to certify that the Virgin Islands Telephone Corp. (d/b/a Innovative Telephone) is an Eligible Telecommunications Carrier and, upon review, has been shown to have used its universal service support for the current year only for the provision, maintenance and upgrading of facilities and services for which the support is intended as required by Section 254(c) of the Communications Act.

Please do not hesitate to contact me should you have any questions regarding this certification.

Sincerely,

Alecia M. Wells
Chairperson, VIPSC
